Subject: [EXTERNAL] Reminder: Submit Permission for Flock Installs

CAUTION: External Email This email originated from outside of Johnson City's e-mail servers. DO NOT click links or open attachments unless you recognize the sender and know the content is safe.

Hello,

We wanted to remind you that we are still missing Private Property Permissions for one or more of your locations for TN - Johnson City PD. We will need written permission from the property owner before we can proceed with installing your devices.

Please visit your **Deployment Tracker** for more information on which locations are still outstanding. Once completed, you may submit the attached form directly through the Deployment Tracker.

Thank you!
