Hi DC Adams,

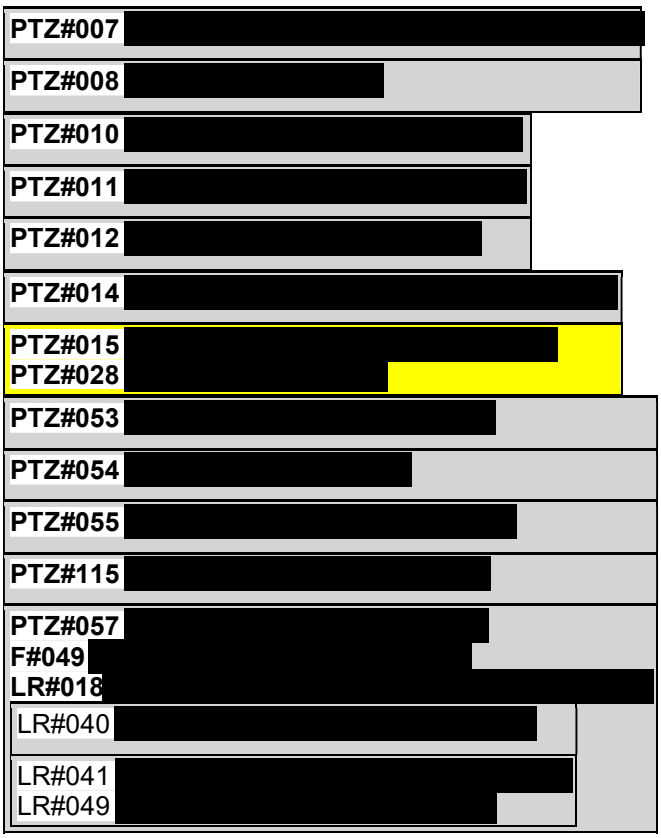

Hope you are doing well!

I wanted to check in on the remaining locations and action items needed.

We are pending approval for 11 locations from Brightridge Electric. Do you have an ETA on that?
TDOT denied 3 locations because they are on the interstate. Let me know if you'd like to schedule a mapping call to move them or if you have alt locations we can review. These locations are below:

LR#005 [redacted]
LR#006
LR#154

The following locations are pending private property permission:

Let me know if I can answer any questions, thank you!

Here is the signed forms. I will upload on private property permissions as well.

Thank you

Mr. Quillen-

Thanks for your support on the installation of the Flock cameras at [redacted] The police department needs the attached documents signed by you as the property owner. I have cc Deputy Chief Mike Adams on this as well in case you have any questions regarding the documents or cameras. He will also be who you can send the signed documents to.

Subject: [EXTERNAL] ptz camera in parking lot

Good morning,

As a part of Safe City Project, I felt as though a PTZ camera in the parking lot being able to view [redacted] would be beneficial to you all and the Johnson City Police Department. However we would need private property permission to install this. It would be of no cost to the State of Tennessee or the property owner.

Attached is the needed documents. If you elect not to have this camera installed, please just let me know and we will find another place to install somewhere else in the city.

Thank you for your consideration into this matter.

Deputy Chief Mike Adams

Johnson City Police Department
