David, by chance are you going to be on our meeting this afternoon? I can give you some info on the next steps. Unfortunately you beat me to the calendar. I will be in the field next week and hadn't blocked the time off on my calendar.

If you are on the meeting this afternoon I can outline some steps to do async that we can confirm on your side.

Good afternoon,

Notes from today's call are attached and action items are below. Please let me know if you have any questions. Thank you!

Action Items

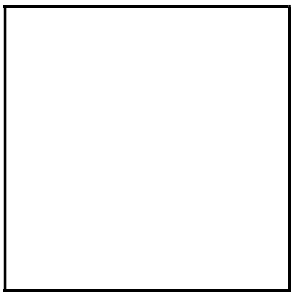

Assignee	Task	Due Date	Status
David Eidson	Follow up again with Walter McGee and their technical person to get time to discuss how to open up a Avigilon to Flock, and consider Adam Senf's VPN solution if connectivity issues persist.	Apr 1, 2026	Not started
LaTonia Oyeniran	Confirm with the engineers that the replication server will be sufficient for Flock OS before closing out the interface task.	Apr 1, 2026	Not started
