### Narrative/Case Note

On 07/21/2026 at 19:38 hours, while on patrol, I observed a Flock gunshot detector that had been damaged, and the detector part had been stolen at [redacted]

The pole had been pushed over, with the top of the pole being about a foot and a half off the ground. The solar panel remained on the pole, but

the detector had been unplugged and stolen. The Flock gunshot detector had a value of approximately $1,500. This incident occurred in Johnson City, Washington County, TN. - Davenport, N
