Great, would we be able to get a meeting together with the team to get this setup? Here is my calendar link if it helps to pick a time that works best for your team.

Mike,

This is what they are working off of.

Anthony Todd

Here is the POC we are building.

Thanks.

Hello David, it was great speaking with a fellow chicken farmer. The Media Gateway can be installed on a separate server. This will be Flock's access point for the camera streams. A demo license was included.

Best,

Terry Stimson
Sales Engineer - Southeast NA
