Flock Safety

Flock Safety + Lexipol

What is Lexipol?

Lexipol is a grant consulting service that helps agencies find and secure funding.

They provide services like grant research, grant alert notices, and feedback on applications to help clients access federal, state, and private grants.

WHAT DOES THIS PARTNERSHIP PROVIDE?

- Identifying relevant grants
- Drafting the grant application
- Reviewing the application before submission

WHAT IF A CLIENT NEEDS A GRANT APPLICATION WRITTEN?

- Flock Safety customers receive discounted grant-writing support through Lexipol
- The cost for this service typically ranges from $5,000 to $7,500 depending on the grant, but our customers will receive a 25% discount

How Can Clients Get Started?

CLIENTS HAVE TWO OPTIONS TO BEGIN THE PROCESS:

A). Contact their designated Account Executive, who can connect them with a Lexipol representative

B). Complete the online intake form for grants that cover **License Plate Readers** or **Crime Analysis and Investigation Software**
