Thank you! Sent over to Cali to put it into install status (we should be able to work off the email approval)!

I have received approval from my Assistant Commissioner as well as the landlord to move forward with the cameras at [redacted]. I will get the required letter to you as soon as I receive it back from our landlord. Thanks for thinking of us, I think it will be beneficial.

Sara

Correct. There is no cost or responsibility. If something happened to it, we would have it replaced at no cost.

CAUTION: External Email This email originated from outside of Johnson City's e-mail servers. DO NOT click links or open attachments unless you recognize the sender and know the content is safe.

Let me send it up for approval as well as reach out to our landlord. I wanted to confirm that this would be at no cost to the landlord or TDOC.

Good morning,

As a part of Safe City Project, I felt as though a PTZ camera in the parking lot being able to view [redacted] would be beneficial to you all and the Johnson City Police Department. However we would need private property permission to install this. It would be of no cost to the State of Tennessee or the property owner.

Attached is the needed documents. If you elect not to have this camera installed, please just let me know and we will find another place to install somewhere else in the city.

Thank you for your consideration into this matter.

Deputy Chief Mike Adams
