Good deal, appreciate it - it's definitely extra work but hopefully worth it in the long run!

See attached signed license agreement.

This one is unusual, so I had Steve Lusk, the Compliance Director and Department of General Services/STREAM, to sign it.

@Daniel D. Chuquin and @Tommy Whitehead, please also keep records of this license in case we need to cancel or modify for the future.

Torrey –

Can you review the request attached to have a FLOCK camera mounted at one of our access sites in Washington Co.

Included is a map showing the location where it would be mounted.

Let me know if I need to do anything on my end.

Hello Sir,

I have been asked by Deputy Chief Mike Adams (Johnson City Police Dept) to inquire about getting permission from TWRA to install a FLOCK camera at [redacted]. This camera will pan, tilt and zoom. Obviously, it will be of mutual benefit to both agencies with no cost to TWRA. I am attaching the FLOCK agreement form for you to look over. If you have any questions, you can email D/C Adams: madams@johnsoncitytn.org

Thank you.
