Mike,
I got a response from Stan today and he is good for a meeting with our CAD vendor. The CAD vendor advised that June 8th would be the earliest that they can meet. I will see if I can arrange a meeting for everyone.

Subject: Watson integration with CAD

Good afternoon gentlemen,
I would like for us to get together either through zoom or in person to see where we are with integrating cad data into Watson. Can you guys give me some dates that will work for you all?
