That sounds great! I will plan to be on-site next Thursday. June 4th.

As we did last time, I will audit the networks while remaining available for anyone who has questions.

Thank you,

Good morning,

I would like to schedule an on-site visit to Johnson City for next week. As with my previous visits, I will be available to answer any questions from the team. During my downtime, I plan to audit the networks and host office hours.

Please let me know if Tuesday, Wednesday, or Thursday of next week would work best for you.

Stay Safe,
