Good afternoon Mr. Temple,

Hope you've been well!

I spoke with Deputy Chief Adams today and realized that we had not yet finished setting up the NVR at Munsey Methodist. In looking at prior notes, it was mentioned that we could resume the discussion after Easter.

Do you have some time next week to connect and go through setup with our Integration Manager, @Adam Senf? He's OOO the remainder of this week, but you can schedule a convenient time with him here.

Thank you!
Brian
