I'm not sure how that one made it on the install list, I've let our ops team know we need to get that down immediately.

We'll update you when they have it on the schedule. Do we need to contact Michele at Wiggins with any info?

Thanks,
Brian

Tina:

A flock camera has been mysteriously installed on our property. Plese advise who we need to contact regarding removal.

We were not contacted by the city for permission to install this camera.

Thank you for your help,
